*Emerging Leaders Stream

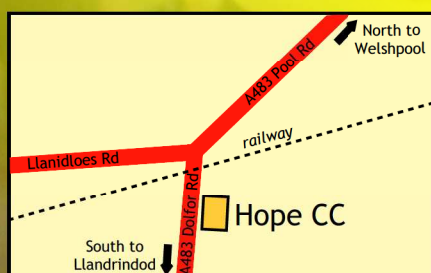

As a part of this day for youth and children's leaders and church leaders, we have a team from the New Generation Leaders Initiative who will be running a stream for emerging leaders. This is especially for Christian young people who are leading (or showing leadership potential) in any context (youth groups, CU groups etc) or who are serving in practical ways in their church or community.

It is also highly suitable for those who will be serving or leading in any capacity at camps/holidays over the summer.

There is a reduced charge for those attending this stream.

The organisers would like to point out that childcare facilities for leaders children are NOT available at this conference

Cost:
Leaders - £10
Emerging leaders - £5
